# A beautiful hideaway on the outskirts of Paris

Cazaudehore is the name of a family and a place that embodies for three generations the art of living and hospitality in Saint-Germain-en-Laye.

**Just twenty minutes from Paris**, in the heart of a thick forest of oaks and in the setting of a beautiful garden, the hotel and its restaurant, members of the Relais & Châteaux hotel chain since 40 years, compose a very special getaway that seems very close by its accessibility, but yet so distant by the feeling of escape it provides.

It is **the perfect place to relax** during a gastronomic, cultural and/or sportive stay.

Enjoy the following highlights of what makes us so special ...

A très bientôt,  
Cazaudehore Family

# Comfort and elegance... ... tranquility of the forest

The hotel of Cazaudehore opens its doors in the manner of a house of a friend.

Each of the **25 rooms and 5 suites**, with a subtle mix of objects, furniture, old and contemporary paintings, is offering a different decor.

However, none neglects the most functional requirements such as **free WiFi, satellite TV**, minibar, safe and bathroom with separate toilet.

The rooms open on either the forest or the park, and some of them feature a private terrace or balcony.

Immediately past the doorway, an atmosphere of calm, simplicity, charm and elegance is striking you.

# Tradition & innovation ... ... tantalize your tastebuds

Since 1928, the Cazaudehore family has passed on from father to son the secret of turning a simple “refreshments bar” into an eminent address in the west of Paris.

Our **Executive Chef Grégory Balland** is devoting his full attention to a creative and light cuisine, but never forget the region from which the family is from: the south west of France. All this has made the reputation of this long-time favourite household.

The restaurant offers a cosy and friendly atmosphere, where even in winter the surrounding nature can express its presence. In summer days, the restaurant opens onto a terrace surrounded by the forest, its smells, noises and mysteries.
